¥ Antithesis : Humility ¥  
¥ Anti-principles: Pride ¥  
exists independently of  
the three anti-principles  
YYYY¥\$\$\$YYYY¥  
YYYY¥\$\$\$YYYY¥

The Proud soul considers  
itself to be superior to  
other living beings. It will  
disregard others' opinions,  
thinking that it, alone, is  
capable of valid reasoning.  
Pride often leads to a  
dogged pursuit of power.  
The symptoms of Pride  
include arrogance,  
intolerance and  
egocentricity.
